FANTASY SPORTS WHITE LABEL SOLUTION

**WISH TO EARN BIG WITH YOUR
OWN FANTASY SPORTS PLATFORM?**

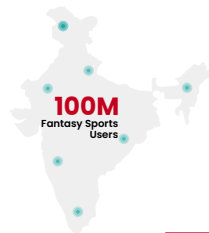

FANTASY SPORTS MARKET SIZE

The online gaming market has seen explosive growth in the past year.

WORLD

Within a year, the global fantasy sports market grew from **\$20.36 billion** to **\$22.31 billion** with an amazing growth rate of **9.5%**. The primary reasons for this growth are development in digital infrastructure, availability of affordable smartphones, and increasing popularity of players in different sports.

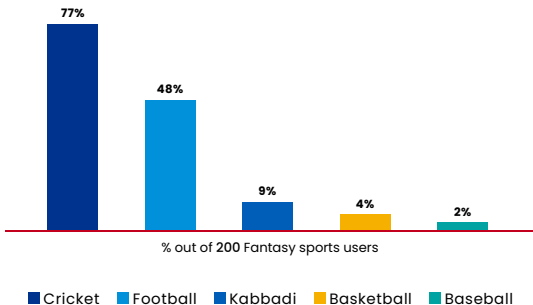

INDIA

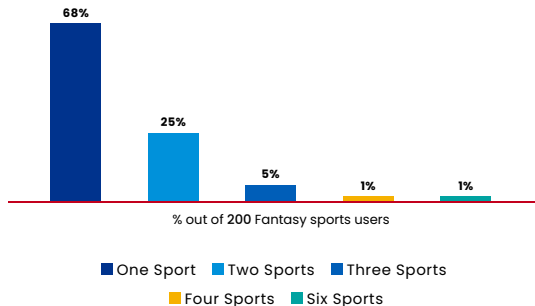

Back in 2016, just around **2M players** were playing fantasy sports. Since then, the number has skyrocketed to over **100M players** and continues to grow each day. Various sporting leagues held around the year for multiple sports play a crucial role in making fantasy sports popular in India.
